

Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing applications for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit comments in writing on any of these projects to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator

Project Applicant	Chad Wittstorm
Applicant's Agent	Dan Meade
Project Name	San Miguel Terrace Residential Development- Tract 2723
Receiving Water	Salinas River
City/County	San Miguel/ San Luis Obispo
Public Notice	8/29/2008-9/22/2008
Project Description	<p>The purpose of this project is to subdivide and improve approximately 50-acres of property to create 38 lots suitable for the construction of single-family residences and provide access to those lots.</p> <p>The project activities include construction of storm drains, lined drainage channels, and appropriate outfall structures in the southern ephemeral drainage. The project requires installation of a culvert under a proposed access road and realignment of the stream through the culvert.</p> <p>Mitigations will include revegetation of the project site with four 1-gallon blue oak trees.</p> <p>A Notice of Determination was filed on August 19, 2008.</p>
